## SCHOOL / MINISTRY NEWSLETTER

February/March 2021

Dear Friends,

Thank you for being part of this ministry. You are a blessing. I declare God's fruitful blessings over your health, finances, families, and relationships. We focused on providing food for struggling families and teaching children in their own villages in the past few months.

**Proverbs 11:25 (NLT): 25 The generous will prosper; those who refresh others will themselves be refreshed.**

### School Updates

As we have not received any Government guidance regarding primary school openings, we have decided to focus on opening the school next academic year. This will be in June 2021.

### Vision

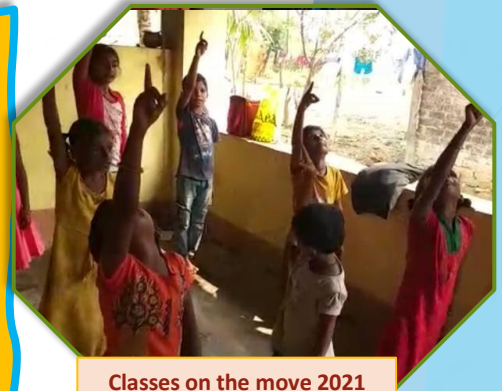

*To provide an excellent education to children rooted in Christian values from the Word of God.*

### Mission

*Teach and Share the love of Christ in words, acts and thoughts towards everyone.*

### Classes on the move!

Our six teachers continue visiting villages and offering lessons to every child who is interested to learn. In February, they met 62 children and taught them Numeracy, Literacy and Science classes. They ministered and prayed with sick parents and children, out of which 8 healings were reported. Amen! Where there were opportunities to share the Gospel, they shared, and 24 people received the Gospel. Every fortnight, Mondays to Fridays mornings, they cover around 10 villages, teaching classes in house verandas or outdoors.

### Pastor's Update (2020/21) – Please see the report from Pastor Ramesh below (13<sup>th</sup> March, 2021)

Even till last month, we could not have any physical gathering. Yet, we were encouraging one another over the phone call and other media.

- On 12.3.2021, We conducted a graduation ceremony for 100 Pastors who completed a one-year training in 2019 in partnership with other Christian leaders.
- We have a newly started Adult literacy (AL) programme. The vision of this programme is to make every church literate, at least to read the Bible. The mission is to gather illiterate men and women and teaching them every day 2 hours for one year and improve them to the standard of reading the Bible. This we started in January appointed 3 facilitators, 15 literates to teach 450 illiterates in this year 2021.
- We also started the other ministry among children. It is to give free tuitions to all the school going students after school every day. After school care (ASC) appointed 5 facilitators, 20 teachers to train 400 children every day for 2 hours with 3 activities (sports, study and spiritual).
- All these ministries are led by local pastors. For the last three months, it is functioning well.

In January of this year, 2021, 10s elected gospel workers are trained for one month long in residential classroom study in our church premises. Their food, bed, and studies are taken care of by generosity persons like you who love the Lord's work.

Kindly continue to pray for a few pastors who are struggling financially to run the family. Due to the pandemic effect, the church members cannot support their local pastors as they lost job and income. I arranged food ration kits for them.

Thank you for supporting us. Your support is valued high and received with gratefulness.

I shall come to you with much more details in short.

All glory be to God. Thanking you

Yours in His Mission,

Ramesh Paul
