SCHOOL / MINISTRY NEWSLETTER

April/May 2021

Vision

To provide an excellent education to children rooted in Christian values from the Word of God.

Mission

Teach and Share the love of Christ in words, acts and thoughts towards everyone.

Dear Friends,

I believe you are blessed and well. I thank God for you and your families. You are a great blessing to the ministry of Jesus.

The Bible clearly states that in Luke 6:38 (NLT) – "Give, and you will receive. Your gift will return to you in full—pressed down, shaken together to make room for more, running over, and poured into your lap. The amount you give will determine the amount you get back."

This clearly shows that God blesses a giver. Your active financial and prayer support have blessed many lives over the year. I pray that your finances will overflow as evidence of God's goodness towards you.

God's favour is upon our New Grace Family. None of our family members or staff and their families was affected by COVID. We Praise God for this. All needs were met, and every one of us is blessed.

Once again, we thank you for your continued support. If you need any further information, please contact us. We will happily provide you with more information regarding the ministry work in India.

Love and Blessings,

Robin, Divya and the NG family

School Update

As you might already know, the COVID situation in India is difficult. Due to that our school never opened last academic year. We are not sure when the school will reopen again.

Ministry Update

Even in the midst of all this, our teachers enthusiastically worked whenever they were legally allowed. They went to children's homes and helped them with maths, English and, where possible, lessons from Bible. Our staff prayed with children, parents and relatives who were sick and saw at least five healings this year.

In April, the teachers conducted three days of "vacation bible school" attended three days by an average of forty children. The plan was to teach week-long bible classes in three different locations. We were expecting at least 100 children to benefit from this. But, due to the COVID situation, we had to stop this programme. We Praise God for the forty-odd children who were blessed by the three-day vacation bible classes.

Food distribution

Food distribution has been taking place regularly every month. We are currently providing twelve families, including widows and disabled parents and children. Due to COVID restrictions, more families are facing unemployment again. We are monitoring the situation and will keep you informed about the increase in families who need support..

Pastors training is also halted for the time being. Pastor Ramesh is supporting at least seven Pastors and those who do not have any income.
