"THANK YOU
FRIENDS"

Dear Friends,

We pray and believe that you and your family are blessed and well. There is a story in the Bible about David and his men. While chasing their enemies, around 200 of his men were left behind as they were exhausted and they stayed behind with all belongings while a select few who had the strength went with David and won the fight. On their way back, David acknowledged even the people who stayed back and looked after the belongings.

1 Samuel 30:24-25 (GW):.... Certainly, the share of those who go into battle must be like the share of those who stay with the supplies. They will all share alike. From that time on he made this a rule and a custom in Israel as it is to this day.

You are our partners, who are our valuable support. Thank you for being faithful. God will honour everyone of you and He is your provider and shelter.

Vision

To provide an excellent education to children rooted in Christian values from the Word of God.

Mission

Teach and Share the love of Christ in words, acts and thoughts towards everyone.

All in a day's work

School update

It is with much excitement that we share that we have successfully registered with the School of Tomorrow. Due to health issues of the trainers, we had to re-arrange the training for the teachers to April.

The summer time is a very hot time in the region. The schools only open during the mornings.

Staff Update

The staff are busy preparing the students for their annual exams. The school will close by the last week of March.

During the last few months, our staff have been preparing and getting ready for the training. They have been practising their English skills and teaching the children. Communication has increased in English and staff are more confidence to speak English.

Every week day there would be small topics to speak in English, which they would send to us as an audio message. Some topics include weather, seasons, different animals etc

Food distribution

We are ever so grateful to everyone who have been supporting with funds in this time of need.

We have been able to find many families who are in constant need of support, families who have disabled members and the

older generation who are not able to work. We have been blessed to be able to support these families each month.
